### Notice

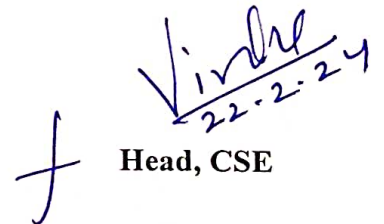

#### Celebration of National Science Day on 28<sup>th</sup> February 2024

National Science Day is celebrated on 28<sup>th</sup> February of every year to mark the discovery of the Raman Effect by Indian scientist Sir C.V. Raman who was discovered and awarded the Nobel Prize in 1930. To celebrate this occasion in this year and show the skills of the students, a competition of software and hardware projects is being scheduled on 28<sup>th</sup> February 2024. Students of the CSE department can show their skills on the following topics.

- Websites and Android apps, through poster presentations and live demonstrations using mobile. Some applications like the NSS app, Placement cell app, NCC app, Institute Website, Government Exams, etc.
- Innovative ideas on IoT- Applications and Security using flexi posters or through real hardware i.e., Automated Self Driving Cars, Smart Dustbin Systems, Smart Parking Systems, Drones, and many more to gain the attention of visitors.
- Any idea related to Science and Engineering.

All interested students may submit the entries on Google Form  
<https://forms.gle/GeMKUdEpg8RDEzTo6> up to 26.02.24

Selected entries will demonstrate their project on Science Day (Schedule and Venue of the day will be announce later). Certificates will be issued to all participants.
