TECHNOFORGE 2024

The Cyber Security Club, Department of CSE, is delighted to announce a three-day workshop titled "Cyber Security: Safeguarding the Digital World" scheduled from 14th March 2024 to 16th March 2024. This event is open to students of all branches and years.

Cyber security has become increasingly vital in today's digital age, and this workshop aims to equip participants with essential knowledge and skills to address cyber threats effectively. Covering a wide range of topics including system security, networking, cryptography, and digital forensics, the workshop promises to provide valuable insights into the ever-evolving field of cyber security.
