NOTICE

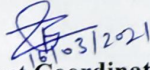

Attn: Final Year, EIC Students

Project (SEI7-50) -(Session: 2020-21)

For proper conduct of project work the following guidelines are to be followed by the students. These are the internal guidelines, for carrying out the project work. You have to follow the university guideline along with these internal guideline. University guidelines are different and available in computer Lab (F-17).

Guidelines are as follows:

1. Students will consult the faculty members and will finalize their project with the consent of respective faculty members. For the same purpose, students are supposed to fill up a form mentioning the names of their group members, project title, supervisor name etc. The same form will be submitted by the students, duly signed by supervisor, to the project coordinator and this will be considered as the consent by the respective faculty member for taking the project.
The project title once finalized will not be changed. Last date for submitting the filled form is 25-03-2021
2. Maximum number of students allowed in a group is limited to 3. In special case, 4 to 5 students may be allowed in a group with the approval of HOD and Project Coordinator.
3. The marks 350(210 IA+140 ETE) for project will be awarded by the supervisor along with the project coordinators depending upon the remarks by committee members evaluating the project work.
4. Before finalizing a project, the students must ensure that:
 - The project is not repeated.
 - Only hardware projects are taken.
 - Software base project are taken only in special case
5. It must be ensured that the student goes through proper literature survey, before finalizing the project work to be taken.
