NOTICE

Optimizing Your Path: A One-Day Seminar on Excelling in International Job Markets and Higher Education Abroad

A one day seminar on the above topic is being organized jointly by the Department of Mechanical Engineering and Alumni Cell of ECA. The resource person, Ms. Jaya Khatwani, is one of our prestigious alumni, Mechanical Engineering 2018 Batch, who had completed her Masters from RWTH Aachen University, Germany in 2023 and since then working with Maxion Wheels, Germany as a Supplier Quality Service.

Event Details:

Date: 10th February 2024
Time: 06:00 PM to 07:00 PM
Venue: Online Google Meet (Link will be shared in Group & Email)

The Key Areas of Discussion:

1. Where do you start and what steps do you need to take to study abroad?
2. How to choose the perfect course and university for masters? What is QS ranking?
3. How to find Scholarship programs?
4. Prerequisites for better selection in foreign universities and how to start working on it while doing Btech.
5. Role of counselors, specially authorized University representatives in India.
6. What are some advantages and disadvantages of living in another country?
7. How much do you earn after your master's degree compared to India?

All the students of ECA (all branches), specially Final year and Pre-Final year are cordially invited to participate. Since it will also have Q&A so you can ask your doubts before, during or later the session on the provided WhatsApp Group. Kindly register yourself immediately on the following link and also join the whatsapp group through the link provided right after the submission of your google form. Only Attendees will get the e-certificates, through email.
