NOTICE

Mastering Job Search: Job Search Tools, Referrals, LinkedIn Strategies, and Expert Resume Building

A one day seminar on the above topic is being organized jointly by the Department of Mechanical Engineering and Alumni Cell of ECA. The resource person, Mr. Arpit Mathur, is one of our prestigious alumni, Mechanical Engineering 2018 Batch, who has 5 years plus experience working in Denso India as an Assistant Manager and going for his Masters from University of Bristol, UK in 2024.

Event Details:

Date: 11th February 2024

Time: 04:00 PM to 05:00 PM

Venue: Online Google Meet (Link will be shared in Group & Email)

The Key Areas of Discussion:

1. Navigate the intricacies of job hunting with precision by mastering essential tools and strategies.
2. Explore the dynamic landscape of job search tools, leverage the power of professional referrals, and harness the potential of LinkedIn strategies.
3. Delve into effective LinkedIn strategies that go beyond the basics, establishing a powerful online presence to enhance your professional connections.
4. Elevate your job application game with expert resume building techniques, ensuring your unique skills and experiences shine through to potential employers.
5. Uncover the synergy between job search tools, networking, and a compelling resume to create a holistic and impactful job search strategy.

All the students of ECA (all branches), specially Final year and Pre-Final year are cordially invited to participate. Since it will also have Q&A so you can ask your doubts before, during or later the session on the provided WhatsApp Group. Kindly register yourself immediately on the following link and also join the whatsapp group through the link provided right after the submission of your google form. Only Attendees will get the e-certificates, through email.
