**K E Y . L E A R N I N G
O U T C O M E S**

- * Would you like to know 15 beneficial changes for higher tax benefit for salaried individuals, that have been announced and implemented in the Budget for FY 2020-21 ?
- * Do you want to know which products will help you in saving tax in the new sections ?
- * Are you aware that you could save double tax legally - Would you like to know how ?
- * Would you like to understand in detail and get clarity on whether to opt for the new, optional tax structure from 1.4.2020 or stick to the current tax structure, in terms of which tax structure would offer you a lesser NET TAX LIABILITY ?
- * Would you like to understand the most cost-effective means to multiply your income?
- * Would you like to retire with a handsome, more than adequate retirement kitty?
- * Would you like to learn, without using a calculator, how to accurately find out how much money you need for your future financial needs such as Retirement, Children's Education, Marriage etc.
- * And also learn how much small savings today would help you reach fulfillment of your financial goals ?
- * Which loans to take & which ones to avoid, with reasoning & explanation with case-lets?
- * How to convert your liabilities too into assets ?
- * Planning for exact amounts of savings in a particular bouquet of products, separately for Short-Term, Medium-Term and Long-Term financial needs with explanation also on which investment products to avoid investing in.
- * Where to save, and how much to save, for which category of financial need in life.

Batch size is limited to 30 -40, so Register Now
