Notice

Use of Virtual Lab Platform for Lab Experiments

All **B.Tech students (1st to 4th year)** are encouraged to actively use the **Virtual Lab Platform** (<https://www.vlab.co.in/>) for learning lab experiments in effective way. This platform, developed under the National Mission on Education through ICT (NME-ICT), provides remote access to various simulation-based experiments. It has almost all labs of B.Tech. curriculum of various branches.

Benefits of Virtual Labs:

1. Accessible anytime, anywhere.
2. Covers diverse engineering and science disciplines.
3. Graphical visualization of complex experiments along with theoretical concepts.
4. Include tutorials, theory, procedures, and quizzes for comprehensive learning.

For any assistance, contact the undersigned.

Dr. Jyoti Gajrani
Nodal Center Coordinator, Virtual Labs
